

**< The WowWow Dog Pod**

British Columbia's Vurv Design has created a pet line borne from the premise that pet furniture and accessories should blend seamlessly into your home. More of a recliner than a pet bed, the Dog Pod is like an Eames chair for your best friend. Each piece is beautiful, but function always comes

first. Vurv uses quality, washable fabrics, durable, marine-grade finishes, and bent plywood with a choice of veneers. Solid wood legs and removable, washable pad. Suitable for small dogs. Price: \$499. At Urban Beast, muttropolis.com or vurv.ca.

**< Good Clean Dog**

Dogs are good. Good clean dogs are even better. Good Clean Dog, based in Burien, Wash., has created a line of yummy products to keep your good dog clean. The liquid shampoo is made with emollient oils to clean your dog's coat and moisturize skin. The conditioner softens, smoothes and detangles fur with pure oils of lemongrass and bay leaf to sweetly scent your pooch. The all-natural spritzer helps keep bugs away, and the first aid salve of essential oils is good to have on hand for sores, rashes, bites and cuts. In fine pet stores; \$8 to \$29. goodcleandog.com

**Sexy Beast >**

Eau de parfum for Fifi? Sexy Beast's signature fragrance is a blend of bergamot- and vanilla-infused musk combined with natural patchouli, mandarin and nutmeg oils

to keep your dog smelling fresh and clean long after the trip to the groomer. The three-step finishing line includes Fresh to clarify

coat, neutralize odors and condition skin. The shimmering, plant-based Powder takes oil and residue on your dog's coat to the pound. And, Gloss is a lightweight laminating mist that will leave your dog's coat with a polished shine. \$26 to \$65; sexybeaststyle.com

**Rub a Doggy >**

With the help of his trusty life preserver, this little pooch bobs around in the bath so you have easy access to the bathplug. Amuse the kids—two- and four-legged alike—during any bathtime. Ideal for dog lovers, the stationery set includes a dog that can hold a stack of business cards or photo, a dozen paperclips shaped like dog bones and a magnetic bowl that keeps the paperclips from spilling. \$15.00 at Seattle's Portage Bay Goods or baleliving.com.

### < Dogwood Diners

Dogwood Diners are functional pieces of art created by Seattle artist Alan Fuchs. Not only do these custom raised feeding stations have health benefits for your pet, each one is unique, handcrafted and perfectly sized and styled. From funky to classic, every Dogwood Diner is one of a kind. Available in either wood, using beautiful and durable exotic woods, or painted, in styles ranging from retro to elegant. Original designs can also be custom made for you and your pooch. Priced from \$55 to \$300; 206.417.9719.

### Good Dogma >
